Serial No.: 10/616,255  
Filed: July 9, 2003  
For: DISPLAY DEVICE WITH IMPROVED REPRESENTATION OF THE SHADES OF GRAY  
An Unit: 2677  
Examiner: Chow, Doan Y.

Attorney Docket No.: PHD98164A

**REMARKS / ARGUMENTS**

It appears from the PTOL-326 form and from the substantive details of the Action that the Examiner has failed to take into account the Preliminary Amendment dated July 9, 2003, whereby claims 1-11 were cancelled without prejudice or disclaimer of subject matter, and claims 12-18 were newly presented for examination. Accordingly, Applicants respectfully request a substantive examination of the present pending claims (i.e., claims 12-18) in view of the art of record, and further respectfully request, as Applicants believe such claims to be patentable over the art of record, allowance of this application.

Respectfully submitted,
